January 2016

## Happy New Year!

The PTO would like to take the opportunity to thank everyone for their help and support in 2015. We are looking forward to an exciting 2016!

Please join us for our 1<sup>st</sup> PTO meeting of the year on **January 25<sup>th</sup>, 7:30pm** @ Campbell School Library. In addition to our general meeting, Judy Cheung District Anti-Bullying Coordinator will speak about the Anti-Bullying Bill of Rights (ABR).

The PTO meetings are important to attend because they are generally informative, so they give you an update on upcoming events and changes regarding school events and policies. Attending these meetings is the best way to obtain clear and concise answers to any questions that you might have about future events, rule changes, or modifications in the school's policies.

Typically, each PTO meeting discusses new and unfinished business that is pertinent to our school and its operation. Important announcements are made and you get first-hand access to school Administrators providing you a better understanding of events or changes that affect your child and their academic life.
